

LIST OF RECYCLED EYEGLASSES SOURCES

Requirements of Mission Groups requesting Lions recycled eyeglasses:

From Debbie O'Malley Coordinator, Health and Research Lions Club International

--assure Lions that the glasses will be given to needy people at no charge to them;

--provide shipping instructions;

--pay for the cost of shipping the glasses;
(glasses are free but there is a charge for shipping)

--arrange for customs clearance;

--if the mission is publicized, please be sure to include information that Lions were responsible for providing the free glasses;

--report back to the Lions Eyeglass Recycling Center that provided the glasses, the number of people:

- 1) served on the mission
- 2) fitted with glasses

Contact the appropriate center directly to arrange for provision of eyeglasses.

Please note that the center in Africa reserves its recycled eyeglass distribution to the needy people in its multiple district – they provide recycled eyeglasses to their local Lions clubs who are helping needy individuals from communities in the Republic of South Africa. Depending on inventory, all of the other Lions Eyeglass Recycling Centers provide recycled eyeglasses to groups going on international missions. (Priority is given to Lions sponsored missions.)
